*Life is like a mountain railroad,  
With an engineer that's brave;  
We must make the run successful,  
From the cradle to the grave;  
Watch the curves, the fills, the tunnels:  
Never falter, never quail;  
Keep your hand upon the throttle,  
And your eye upon the rail.*

MANSFIELD STATE TEACHERS COLLEGE

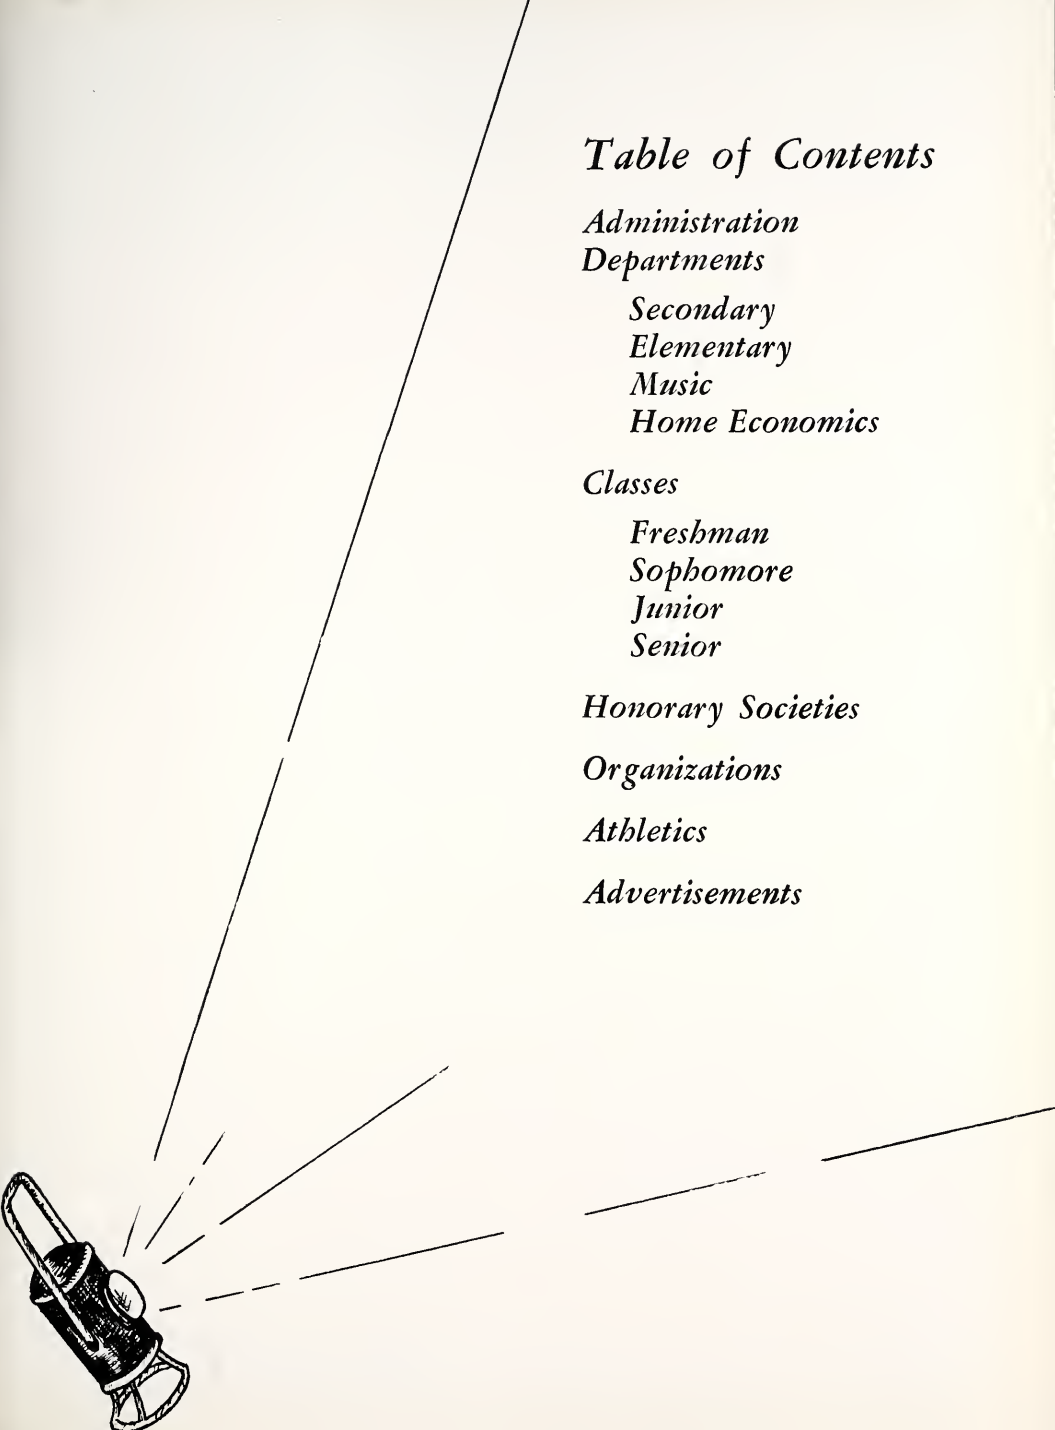

MISS JESSIE I. GRIGSBY

## *Dedication*

We, the students of Mansfield State Teachers College, dedicate the Carontawan of 1954 to Miss Jessie Grigsby in recognition of her thirty-six years of service as a teacher and as a principal of the Junior High School.

We, who have been fortunate enough to work with her, recognize the value of her guidance in our first professional struggles, and we will never forget her humor and sympathetic understanding. Included in her high ideals is a desire to meet the needs of children along with a sincere determination to send college students into the teaching field admirably trained with open minds and honest hearts.

It is to her we dedicate this book with genuine affection and loving tribute. We regret that with her retirement this year we will no longer have on our campus her vital personality, her wide experience and her unflagging enthusiasm to which we have been accustomed.

### *President's Message*

My sincere congratulations to each member of the Class of 1954 upon completing a successful journey that began when you first enrolled at Mansfield. We trust that your college years have opened to you new vistas of self-discipline, self-development and service to God and your fellow man. May your future journey give you pride and joy in your respective callings. There is yet so much to be learned, to be accomplished and to be enjoyed — and so little time to do it. May yours be a successful future. Success that rests not on what you have but on what you are. Success as Stevenson describes it:

"That man is a success who has lived well, laughed often and loved much; who has gained the respect of intelligent men and the love of children; who has filled his niche and accomplished his task; who leaves the world better than he found it, whether by an improved flower, a perfect poem, or a rescued soul; who looked for the best in others and gave the best he had."

*Counselor*

Message from the  
OFFICE OF VETERANS' COUNSELING  
AND PUBLIC RELATIONS

The Veterans' Counselor, in a sense, continues for the veteran those services rendered by the Chaplain and the American Red Cross while he or she was in uniform.

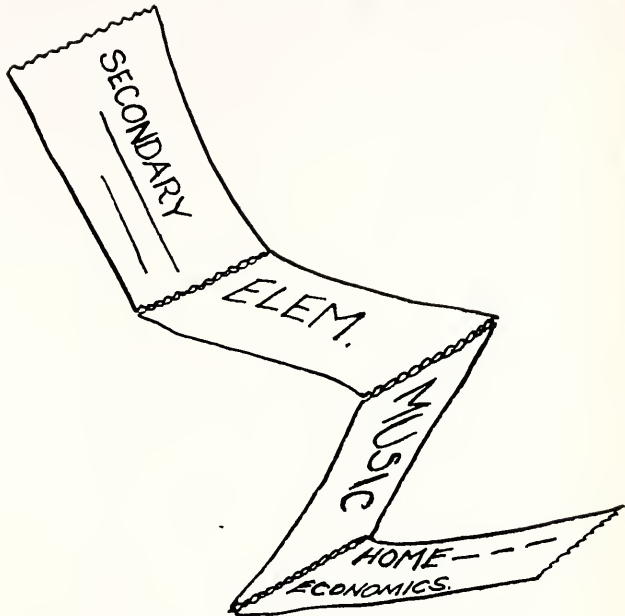

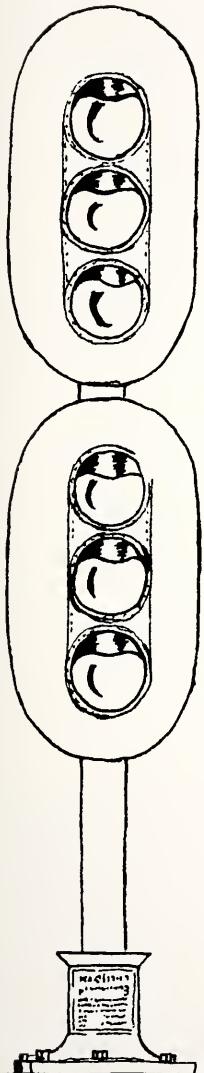

It is not to be supposed that problems cease with discharge; rather, this may be the point at which old problems are aggravated or new ones originate.

The success of an office such as this must be in direct proportion to the sympathetic understanding afforded each case and to the extent that the counselee is aided to help himself.

We feel that the close cooperation of the administration and all departments of the college has been contributive to a happy veteran citizenry at Mansfield.

As a Public Relations Office, we have striven to "Bring the college to its patrons" through the media of publicity and personal contact, thereby engendering interest and good will throughout the service area.

CLARENCE L. HUNSICKER  
*Director of Elementary Education*

The teaching profession faces a crisis in the coming decade. It will need thousands of new teachers to replace those who will retire. In addition it will need thousands more to meet increased enrollments; provide expanded services; and make possible a smaller class size.

As teachers, we must realize a personal responsibility for helping to meet this need by speaking highly of our profession, and encouraging young people to become teachers. Theodore Roosevelt said "Every man owes some of his time to the upbuilding of the profession to which he belongs."

The Secondary Department strives to assure excellence of teaching in the secondary schools through the preparation of competent instructors. Students are offered courses which provide both a liberal education and a thorough preparation in the fields in which they expect to teach. They are given opportunities to become familiar with scientific information regarding child development and the psychology of learning. The program provides supervised experience in classroom situations which demand, among other qualities, resourcefulness, initiative, originality, and self-reliance.

*Director of Music Department*

It is the function of the arts in education to nourish and develop the aesthetic sense, provide a means for emotional experience and self-expression, and to offer opportunities for social cooperation and understanding. Recognizing its responsibilities to these functions, the Music Department devotes itself to the preparation of teachers who are sensitive and intelligent musicians, skillful and sympathetic teachers, and responsible and well-adjusted citizens. Through organized instruction and a wide range of opportunities for musical participation and experiences, the department believes that its students will acquire those accomplishments and develop those attitudes which are essential to educational leadership through music.

The successful homemaking teacher must, first of all, be a successful homemaker. The changing patterns of living are apparent on every side. In order to prepare well qualified homemakers and at the same time develop worthwhile homemaking teachers to meet these fluxional conditions, constant program revision is needed. The Home Economics Department at the Mansfield State Teachers College seeks to study the situation and adapt the program to meet the changing patterns in homes and schools.

## *Freshman Class*

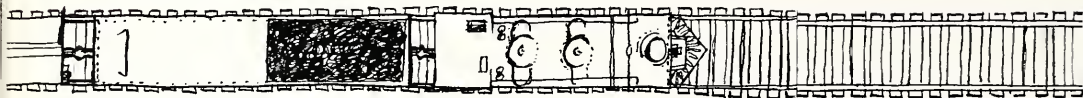

As usual, September found a green, bewildered group of students wandering dazedly around the campus. Yes, that's right, the freshmen had arrived. After the first confusion subsided, we began to orient ourselves to college life. Initiation, during which the sophomores really laid down the law, passed, and a feeling of belonging crept over the new class.

With the help of Dean Jackson and Dean Long, we were guided to the beginning of a promising career in college. We express our thanks to all who helped us over the hurdles and set us on the path to face the future.

*First row, left to right:* Gordon Evans, Bill Allford, Robert A. Benson. *Second row:* Bernice Daveraux, Ella Freeza, Sue Clark, Shirley Empson, Alice Brittain, Janet Bidlock, Julia Eddy, Olynda Chaffee, Rita Dusick. *Third row:* George Baron, Bill Dewey, Betty Derrick, Irving Chatterton, Leonard Brown, Jerry Bennett, Don Bitner, Jim Bradstreet.

Students entering the Schools of Nursing at the Robert Packer Hospital in Sayre and the Hahnemann Hospital in Scranton spend fifteen weeks at Mansfield. While here, they carry an intensified course of academic and nursing subjects.

Despite their heavy schedule, these girls find time to participate in many college activities. They look upon their stay at M.S.T.C. as a memorable initiation to their noble profession.

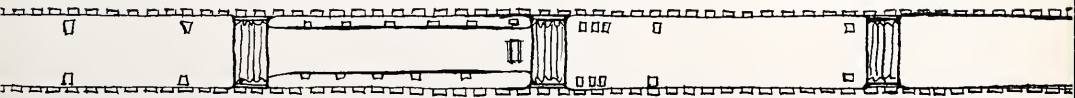

Seated: Jerome Grisco, Albert Mamary. Standing: Joanne Davis, Miss Allen, Advisor; John Kilheeny.

The Sophomores, those individuals who are intermediate of everything and nothing, started their college season with the initiating of those proverbial "lowly Freshmen." Noting the success of this undertaking, they applied their talents and abilities to many other activities, all of which proved to be profitable and enjoyable to all.

Although only on the second rung of the ladder, these people with the sage help of their Advisor, Miss Allen, played a vital part in the life of M.S.T.C.

It's hard to believe that we're Juniors already. Such a short time ago we were Freshmen, just as green as Freshmen could be.

In our three years at Mansfield we have learned many things that will help us in the future, and at the same time we have had many good times together.

Miss Dieffenbach, our Advisor, has helped us a great deal in carrying out many successful events; such as, our Junior Class Picnic and dances. Our hats are off to her.

With many pleasant memories behind, we are all looking forward to what our Senior year will hold in store for us.

We, the graduating class of 1954, are now ready to step forth from M.S.T.C. and greet the world. Horizons are dark, but we are prepared to aid in brightening these horizons for the youth with whom we will work. Through the powers of education we will do this, each according to his abilities. Here we have gained the tools—knowledge, friends, experience—to make our journey on the road of life easier.

So we say thanks to all who have helped or guided us in any way. To Mansfield State Teachers College we say just "so long," not "good-by."

One of the most brilliant and beautiful events on our campus is May Day. The lovely Queen and her court of eight charming girls are selected by the student body. They are chosen on qualifications of personality, attractiveness, extracurricular participation, and academic rating. These girls are fine examples of Mansfield's outstanding women and excellent representatives of the teaching profession.

## *Who's Who*

"Who's Who among Students in American Colleges and Universities" is an annual national honorary publication. The number of students that can be selected is determined by the total enrollment of the college. Qualifications are excellence and sincerity in scholarship, leadership and participation in extra-curricular-activities, citizenship, service to the school, and promise of future usefulness to profession and society.

The students are chosen by the College President, the Dean of Instruction, the Dean of Students, the Departmental Heads, and eight students appointed by the Student Council.

This is the highest honor the College can bestow upon any student.

The honorary music sorority on campus is Lambda Mu. To be eligible for membership, a girl must be either a second semester sophomore or an upperclassman, who has attained outstanding academic and music accomplishments and who has proven herself worthy of becoming a member. Initiation is held semi-annually and pledges are introduced at a banquet. The members of the sorority present an assembly program and a Christmas program each year.

The purposes of Lambda Mu are to foster music and musical interests, to offer opportunity and encouragement for individual development of talents and interest in music, and to maintain high scholastic and professional standards.

The Art Club is an honorary organization for those students who have attained an "A" in one semester of art. The club is affiliated with the Eastern Arts Association which is an active national organization. It is from this association that many new ideas are conceived and incorporated into club meetings.

Several projects that were undertaken by the Art Club during the course of the year were the campus decorations for the Christmas holiday season and the Mardi Gras Dance.

Organized in the fall of 1921 by an M.S.T.C. student, who suggested that all varsity men form an organization, the "M" Club is still functioning as one of the leading organizations on campus. This organization is composed of men who have earned a varsity letter in one or more intercollegiate sports. Its purposes are to encourage a high standard of personal conduct on the part of the members and to maintain friendly athletic relationships with other higher educational institutions.

One can see the "M" Club busily working near Homecoming Day when they sponsor their big sports dance in the gym. This year the Homecoming Day festivities were hampered by inclement weather, but in spite of this, the "M" Club went through their dance in the true spirit of things. They also manage the printing and selling of programs at home football games and operate concessions at home basketball games. Through the fine work of its president, Frank Malinich, "M" Club has maintained the fine standards for which it has always stood.

Foremost among college publications on our campus is the student newspaper, the FLASHLIGHT. The student body has become fully aware of the importance of this publication and its distribution is greatly anticipated by all.

The purposes of the FLASHLIGHT are to promote interest in college activities, to develop school spirit and co-operation among the student body, and to develop initiative and skill in writing.

This year there has been a close coordination among the members of the staff, and this has been conducive to a spirit of co-operation. Each member realizes that the staff working together can obtain the ultimate goal—the successful college newspaper.

## Cheerleaders

Advisor—MISS DIEFFENBACH  
Captain—SHIRLEY TIMMINS

The cheerleaders have added much to our athletic contests. Their spirit and enthusiasm have been above reproach. Even in the hour of defeat they have come through with words of encouragement and have helped keep spirits high.

Their task has not been easy. They have worked hard and long to accomplish their goal—to instill in each one of us that all important school spirit. This they have done as best they could.

Congratulations, girls, on a job well done.

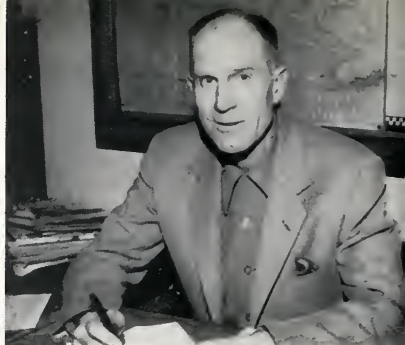

Left to right: Bitsey Hissam, Peg Mirocke, Pam Reigle, Sharon Danks, Mimi Mitchell, Captain, Shirley Timmins; Ginny Van Dyke, Peggy Reed, Mickey Cotter, Joan Matthews, Ann Sullivan.

## *Athletics at Mansfield*

An active recreational program is an essential factor in every college; as it helps to establish a friendly relationship among the boys. Out of the participation and competition in the sports program at Mansfield come leadership, team work, and fair play, which help in the making of a successful teacher. Under the supervision of Mr. Decker, a very successful program is presented for all who are interested in sports.

Some of the activities offered for the men on campus are softball, basketball, volleyball, tennis, pool, shuffleboard, and a few winter sports. Intramural leagues in bowling, basketball, and softball are very popular among the men.

The program of women's sports under the leadership of Miss Dieffenbach is one of the most active of the extra-curricular activities here at Mansfield. The aim is to provide an opportunity for all women students to participate in their favorite sports.

The Women's Athletic Association owns sufficient equipment to provide for fall sports, such as tennis and archery; winter sports, such as basketball, table tennis, and volleyball; and spring sports, such as softball and hiking. Tournaments climax many competitive sports activities of the year.

Coach Ed Rushin and Assistant Coach Marion "Spotts" Decker were left with only four returning lettermen and a host of new recruits which included many promising Freshmen.

The first game of the season was played at Bloomsburg. Loose playing by the "Mounts" and good pitching for the "Huskies" accounted for the Mounts' first loss by the score of 19-1.

The next game was at Smythe Park. Although Mansfield out hit Lycoming 8-7, they came out on the short end of an 11-6 game. Loose fielding was again the big factor in the loss. Watkins and Keiffer were the sparkplugs in the hitting attack for Mansfield.

Mansfield played host to Cortland, but they were defeated by superior pitching from the Cortland moundsmen by the score of 14-3.

Mansfield's third straight home game was highlighted by a superb pitching performance from Don Pieri. Combined with the timely hitting by Smichowski and Kutney, the "Mounts" defeated Lock Haven by a score of 6-4. The game was called because of rain in the seventh inning.

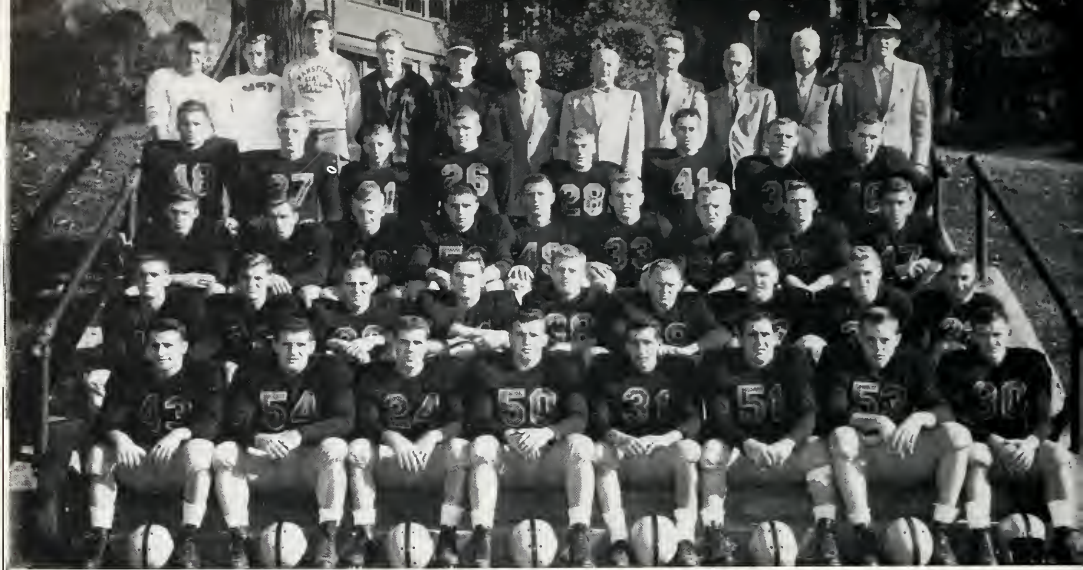

The "Mounts" then traveled to Lock Haven only to be defeated by a disappointing score of 10-1.

Winning their second game of the year, Mansfield topped Lycoming at their own park, 11-9. The booming bats for Mansfield were: Watkins, three hits; Maginsky, three hits; and Kutney, two.

In the next two games Mansfield absorbed a 12-3 setback against Cortland and an 18-0 loss to a strong Ithaca team in a night game at Ithaca.

To round out the season Mansfield played host to the Scranton team who came out as the victors in an 8-3 game.

## Football

Mansfield opened its 1953 gridiron season under the lights at Ithaca College. Mansfield outplayed Ithaca in all departments, but the game ended in favor of Ithaca 21 to 13. The Mansfield touchdowns were scored by Keiffer and Orse. Before a large Parent's Day crowd, a powerful Bloomsburg team rolled over a fighting Mansfield eleven, 27 to 6. The outstanding play of the game was a pass interception by Groover of Bloomsburg who ran 104 yards for a touchdown. A pass from halfback Joe Streck, to end Chuck Hoagland resulted in Mansfield's lone tally.

Mansfield journeyed to Wilkes-Barre to play a highly touted Kings' College eleven. Kings did not reckon with an inspired Mansfield team which held them to 16 points while they made 13. The big difference in scoring was Kings' passing attack. East Stroudsburg Teachers pushed over a second quarter touchdown and kicked a last quarter field goal to take a 9 to 0 victory from Mansfield S.T.C. at Smythe Park.

In a home game at Smythe Park, Mansfield won it's first game of the season by defeating the Kutztown Teachers 13 to 0. It was the first game of the season for co-captain John Kutney, who scored one of Mansfield's touchdowns on a 75 yard jaunt around end. In a close game at Edinboro, the Edinboro Teachers pushed over single touchdowns in each of the first three periods to take a 19 to 6 victory over the Mountaineers.

Because of a heavy snow-storm which blanketed the area, the Homecoming Day game with Lock Haven was cancelled. The Mounts closed out their 1953 season with a 26 to 7 win over Millersville. Keiffer scored two of Mansfield's four touchdowns. Senior Captain, Frank Sudak was moved from his usual tackle position to fullback where he scored Mansfield's third touchdown. In spite of a record of two wins and five losses, Coach Rushin's Mountaineers showed plenty of fight and spirit in all of their games. Each player did a fine job and played his best. What more can be asked? Of course, everyone likes to win, but even when losing a game many things can be gained—spirit of competition, teamwork, and good sportsmanship.

## Football Queen

1953 Queen, Elaine Heffner and 1952 Queen, Dawn Peetchatka.

One of the highlights of the school year is the annual Homecoming Day. The celebration includes a football game, teas in the respective dormitories, a pre-game parade of floats from the various campus organizations, the crowning of the football queen, and the "M" Club dance.

The 1953 Homecoming festivities were greatly curtailed by a 10 inch snowfall. The parade and Lock-Haven-M.S.T.C. game were cancelled. However, Elaine Heffner was crowned queen at the "M" Club dance by last year's football queen, Dawn Peetchatka.

## *Basketball*

As the season opened, Mansfield showed promise of hauling a winning team with returning varsity men, Ed Merritt, Don Williams, Bruce O'Dell, Dick Marvin, Joe Orse and Chet Swimley. Then, of course, there were some promising newcomers to add strength to the team: Linkoski, Witowski and Knight.

The Mounts showed little scoring power as they dropped their first two games of the season. Mansfield lost to Lycoming College at Lycoming 82-41; then they lost to Cortland S.T.C. at home 81-53.

Mansfield won its first game of the season when it defeated Harpur College, 72-50. Joe Linkoski led the scoring for the Mounts with 14.

The next three games were losses for Mansfield, but they were thrilling, well-played games. Mansfield played at Brockport S.T.C. College and lost its third game, 83-71. The Mounts then dropped a thriller to Lycoming College at home in one of the best played and most exciting games of the season. The score was 73-69. The Mounts then journeyed to Bloomsburg where they lost 89-74. This game closed out the first semester.

A graphic design for Fish's Shoe Store. At the top, the word "Follow" is written in a bold, sans-serif font, with "the crowd" written below it in a cursive script. Below this, a large, stylized arrow shape points downwards. At the bottom of the arrow, there is a silhouette of a crowd of people running towards the right. The entire graphic is enclosed in a decorative border.
